CHILD SAFETY TIP

Before departing with children/grandchildren/kids to any event, take a second, pull out your cell phone and take individual pictures of each child. That way, if the unthinkable happens and a child gets lost, you have a picture of how they are dressed and what they looked like on that day.

The photo can then be immediately sent to police to aid in locating the child. Seconds can be precious in this scenario, so take a second, make it a habit and take a picture!
