

Text-A-Tip

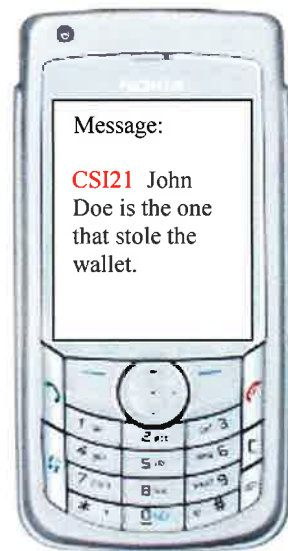

Do you have a crime tip you would like to tell us but want to remain anonymous?

The Clay County Sheriff's Office and Spencer Police Department has now implemented two options for people that wish to remain anonymous when submitting a tip to our office.

You can text your information from your cell phone to "CRIMES" (274637)

At the beginning of your message enter our agency ID "CSI21" and then your tip.

You can email your information online by logging on to our website at www.claycountysheriffsoffice.com or www.spenceriowacity.com and click on our Text-A-Tip link. Click on the words TipSubmit.com or click on the computer at the bottom of the page, which will link you to the TipSubmit webpage. Click on the [Submit a Crime Stoppers Tip](#) link and then click on [Enter a Tip](#).

Fill in the information for Country, State / Province, City / Region. Then fill in the information you would like to provide and click the "[Submit Tip](#)" box on the bottom of the page when finished.

Tips submitted through the cell phone or website are encrypted, entirely confidential, completely anonymous and are immediately transferred to an account established for our office.
